

Havis Docking Solution for Dell Latitude 12 Rugged Tablet

DS-DELL-610 Series Docking Stations for mobile applications requiring a thinner product option

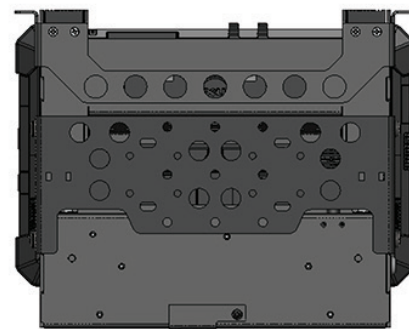

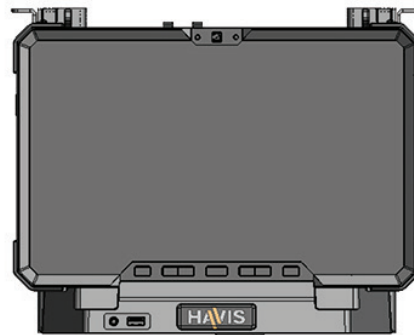

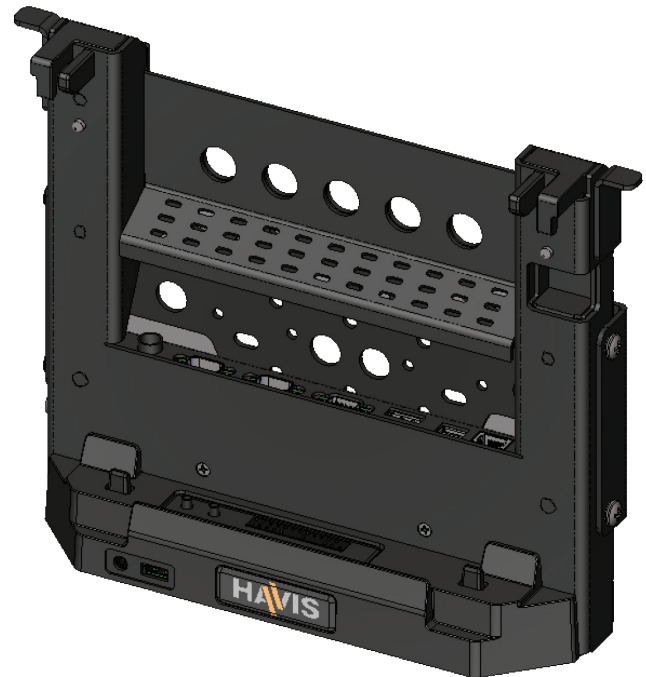

Havis is releasing the new DS-DELL-610 Series, as additional options to their existing product line for the Dell Latitude 12 Rugged Tablet, which may require a slimmer footprint for a specific application.

Combined with your choice of a variety of Havis mounting and motion accessories, the DS-DELL-610 Series provides ergonomic in-vehicle and desktop computing.

Havis' New DS-DELL-610 Series will be available in Docking Station or Cradle Only.

Maximize Your Tablet Productivity

The combination of comfort, safety and quality is what makes the Havis the clear choice. Contact sales@havis.com to inquire about product availability and how to maximize productivity when using your tablet in a vehicle workspace, office or a variety of rugged mobile environments.
