

# Havis® Vehicle Specific Consoles

## 2007-2010 Ford Expedition

Part # C-VS-1200-EXPD-1

**C-VS-1200-EXPD-1 shown with optional mic clip bracket, arm rest, and Telescoping Computer Mount.**

This new vehicle-specific OEM replacement console provides a professional and custom appearance for 2007-2010 Expeditions with OEM center shift console. The formed steel housing and extruded aluminum top frame provide strength for mounting up to 12" of emergency equipment.

- Removal of OEM arm rest pad and inner storage pocket required
- No vehicle mounting kit required
- No permanent modifications required
- 12.5" maximum depth
- Includes one extruded aluminum nut track mounting rail on each side
- C-ARM-2 optional side mount arm rest recommended
- Utilizes four existing OEM drink holders
- Includes filler plates (FP) and/or equipment brackets (EB) to completely enclose area less internal options

### Value & Convenience

Each console can hold up to 12" of equipment and utilizes four existing drink holders.

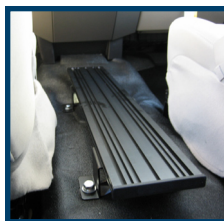

### Easy Installation

No permanent modifications required to the vehicle and no vehicle mounting kit is required. The console is manufactured from laser cut steel to precisely fit over OEM console.
