Always!

- Read all instructions before installing any Havis, Inc. products.
- **Check for obstructions (Wires, brake lines, fuel tank, etc.) before drilling any holes!**
 - Use hardware provided with install kit

Separate the EB console mounting frame from face plate / cup holder assembly by simply inserting flat blade tool into end slots and turning.

Determine 4" mounting space for cup holder and first place EB frame into console.

Attach EB frame to console using supplied #8-18 Torx screws

To install cup holder, pinch holder in the middle and place into EB frame until it clips.

To remove for cleaning, pinch cup holder in the middle and pull up to remove from frame.

Installation is now complete.
