

2020-2023 FORD INTERCEPTOR UTILITY VSX CONSOLE

REDEFINING THE WORKSPACE FOR PUBLIC SAFETY PROFESSIONALS

REDEFINING THE WORKSPACE FOR PUBLIC SAFETY PROFESSIONALS

The new C-VSX-1800-INUT Series for the 2020-2023 Ford Interceptor Utility redefines the vision of the public safety console from the ground up. The advanced style of the new Havis console catapults public safety vehicle cabins into a new era, reimagining the workspace for public safety professionals.

This innovative approach provides the user with a comfortable space by organizing control heads, cup holders, and other essential equipment for public safety professionals.

- Innovative console design incorporates the strength of steel with a lightweight engineered polycarbonate
- Heavy-duty steel floor-mounting structure provides rigid framework for console.
- Polycarbonate chassis mounts to steel frame to offer high degree of strength, impact resistance, and thermal performance
- 30% lower weight than a standard steel console

FRONT BIN

C-APX-101

- Creates additional mounting space
- Port for Relocating OEM lighter plug
- (2) Blanks for Optional C-USB-2
- Space for driver's licenses & pens
