MM-1000 SP LINE

The MM-1000 SP Line from Havis offers an easy to assemble and clean-looking Monitor Mounting/POS Solution for customers who prefer to route cables through the center of their pole. Available in single or dual monitor mounting configurations, the MM-1000 SP Line can be easily customized by adding payment terminal, printer and scanner mounting options.

Expertly designed and featuring our MM-1000 Collar Mount technology, the MM-1000 SP Line offers industry-leading monitor tilt and rotation ranges and supports VESA 75/100mm compatible monitors weighing up to 15lbs (6.8kg).

- Standard 1.75" (45mm) diameter x 18" (457mm) tall Pole with Mounting Plate and Cover
- Versatile - offers 320° left-to-right monitor rotation for best viewing angle and optimum user experience
- Ergonomic - 135° monitor tilt for reduced screen glare and improved ergonomics
- Universal - countertop mounting designed to match existing industry hole patterns
- Modular - additional devices such as a payment terminal, printer or scanner can easily be added to customize your POS solution
- Rugged - holds VESA 75/100mm compatible monitors weighing up to 15lbs (6.8kg)
- Easy-attach monitor feature on VESA plate
- Cables are hidden and protected
