

DM-1000 SERIES

INCREASE THE VERSATILITY OF YOUR TOUCHSCREENS AND MONITORS WITH THE DM-1000 SERIES DISPLAY MOUNT

The DM-1000 Series from Havis is a revolutionary line of display stands for All-In-One (AIO) and Tablet POS Systems. Available in standard or heavy duty, single or dual/back-to-back monitor configurations, DM-1000 stands effectively enhance any Point-of-Sale (POS) system which uses touchscreens, tablets or display monitors. Forget about the limited usability and poor ergonomics of other display stands - with fantastic versatility and full range display tilt and rotation, the DM-1000 will improve customer experience and staff morale. The DM-1000 is an ideal solution for essentially any industry or use case.

- Create a more versatile and efficient Display or POS solution and enhance user experience
- Designed to last - constructed using the highest quality materials
- Excellent cable management within the stand to hide and protect cables
- Suitable for most VESA 75/100mm compatible monitors and tablets up to 21" and 7lbs (3.2kg) or 18lbs (8.2kg)*
- Display can tilt up to 90° and stand can rotate up to 300° for optimum user experience
- Highly versatile - suitable for many use cases across a range of industries
- Adjustable tilt and rotation - easily adjust tilt/rotation tension to suit your requirements
- Easy to install - covers snap on without tools and VESA plate makes attaching monitor(s) simple
